To Whom It May Concern,

I am pleased to recommend Ms. Avani Kanchi Mandya, who has been training at the badminton academy run by the Sports Authority of Karnataka(DYES, Kanteerava Badminton Courts) to further refine and
strengthen the foundation she had already built in the sport.

Avani joined our academy with a clear purpose—to elevate her game through structured, high-performance coaching and prepare herself for competitive badminton at the district level and beyond. Throughout her training, she has consistently displayed remarkable enthusiasm, discipline, and a strong desire to learn. Her commitment to improving her skills, willingness to embrace challenges, and perseverance in both training sessions and tournaments have been commendable.

In addition to her own development, Avani readily assisted in coaching junior players, demonstrating patience, responsibility, and leadership. She is a dedicated sportsperson who exemplifies excellent sportsmanship, integrity, and teamwork, earning the respect of both her coaches and peers.

I am confident that the same determination, resilience, and positive attitude that she has demonstrated on the badminton court will enable her to excel in all her future academic and personal pursuits. I recommend her without reservation and wish her every Succes.
